

Action in Memory of Kaypakkaya from TKP-ML TIKKO Guerrillas

On the 48th anniversary of his immortalization, TKP-ML TIKKO fighters assassinated the invading Turkish forces in Rojava to commemorate the Communist leader İbrahim Kaypakkaya.

The fighters of TKP-ML TIKKO, who carried out an action against the invading Turkish forces in the Menax village of Zirgan, stated that they carried out this action for the Communist leader İbrahim Kaypakkaya on the 48th anniversary of his immortalization.

TKP-ML TIKKO fighters said, "With the action we have carried out today to commemorate İbrahim Kaypakkaya, the torch of our courage, we would like to state that, with the courage we take from our leader and our immortals, we will clear Rojava from the invaders and destroy fascism."
